Last updated: 13 January 2026

1. Introduction

This Privacy Policy explains how **Agenthum AI Solutions Pvt. Ltd.** (“Company”, “we”, “us”, or “our”), as the owner and operator of the **Property Investment Analyzer** (the “App”), collects, uses, stores, and protects user information.

By accessing or using the App, you agree to the practices described in this Privacy Policy.

2. Scope of This Policy

This Privacy Policy applies to:

- The Property Investment Analyzer web application
- Any related mobile or digital interfaces
- All users, including free and paid users

3. Information We Collect

a) User-Entered Information

When you use the App, you may voluntarily enter information such as:

- Property details

- Financial values (price, loan amount, interest rate, tenure, rent, etc.)
- Investment assumptions and scenarios

This information is used **only to generate calculations, analysis, and results** within the App.

b) Technical & Usage Information

We may collect limited technical data, including:

- Device type
- Browser or operating system
- App usage data (pages viewed, features used, session duration)

This data helps us improve performance, stability, and user experience.

c) Payment Information (If Applicable)

For paid plans, payments may be processed through third-party payment gateways.

We **do not store or process** sensitive payment details such as card numbers or banking credentials.

Such information is handled directly by secure third-party payment processors.

4. How We Use Information

We use collected information solely to:

- Perform calculations and generate analysis
- Display results and insights to users
- Improve App functionality and usability
- Provide customer support when requested
- Comply with legal or regulatory requirements

We do **not** use user data for advertising or unsolicited marketing.

5. Data Storage & Retention

- User-entered data may be processed temporarily to generate results
- The App does not guarantee long-term storage of user data unless explicitly stated
- Data retention may vary based on usage patterns, system requirements, or legal obligations

Users are encouraged to save or export results if long-term access is required.

6. Data Security

We implement reasonable technical and organizational measures to protect data against unauthorized access, alteration, or disclosure.

However, no digital system can be guaranteed to be 100% secure, and users acknowledge and accept this risk.

7. Sharing of Information

We do **not** sell, rent, or trade user data.

Information may be disclosed only:

- When required by law or legal process
- To comply with regulatory obligations
- To protect the legal rights or safety of the Company or users

8. Cookies & Analytics

The App may use basic cookies or analytics tools to:

- Understand how users interact with the App
- Improve features and performance

These tools do **not** collect sensitive financial or personally identifiable investment data.

Users may control cookies through browser or device settings.

9. Third-Party Services

The App may rely on third-party service providers for:

- Hosting and infrastructure
- Analytics and performance monitoring
- Payment processing (if applicable)

These providers are used solely to support App operations and are expected to follow reasonable privacy and security standards.

10. User Responsibilities

Users are responsible for:

- The information they choose to enter into the App
- Maintaining the security of their device and login credentials (if applicable)

The Company is not responsible for data exposure caused by user negligence or compromised devices.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any changes will be reflected on this page, and continued use of the App after updates constitutes acceptance of the revised policy.
